

Virtual Classroom Experience

Our award-winning training re-imagined for today's remote workforces

Simpler, smarter, and more flexible.

The Pinnacle Virtual Classroom is a fully customized learning experience delivered by Pinnacle Master Instructors from our state-of-the-art studio. Ideal for training remote and dispersed workforces, the Virtual Classroom delivers the same award-winning content as our on-site workshops through a collaborative and interactive environment, including:

- Focused learning chunks
- Active interaction for engagement
- Learning adoption beyond the classroom

Available in multiple virtual formats:

- Workshops
- Classes
- Executive Coaching
- Webinars

Cost-effective, flexible training that translates to

- No travel costs
- Convenient scheduling
- Less time spent traveling
- Easy coordination
- More time with instructors
